Gyro Machines

Esthetically the nicest Gyro in the marketplace today (in our opinion, of course!). Designed with the motor at the bottom of the unit, it ensures protection from all heating elements. Individual burner controls, ceramic plates with minimum flame adjustment, removable burner protection mesh, removable drip tray, plug for electric knife, and a shovel for the meat are ALL standard features of our Visvardis gyro machines. In addition to the features and benefits, our gyro machines allow the user to MOVE the burner closer/farther away from the meat (instead of moving the spit) to ensure precise cooking with minimal heat loss (this is accomplished by pulling/pushing the knob located in the front of the machines).

Spiral Mixers

Spiral Mixers are perfect for bakeries, pizza or pastry shops. They are often used for mixing a variety of dough products: from very stiff dough with low hydration to a high hydration dough such as ciabatta breads and pizza dough. The built-in timer allows you to program and set appropriate mixing times for various products. Built-in safety features include emergency stop and bowl guard switch. This machine has been designed for commercial applications.

Product Warranty: 1 Year Parts & Labor on the Spiral Mixer and 3 months on the Timer

Molds - Large Series 24" x 16"

The largest format was designed on the basis of a more efficient use of the cooking surface, thus reducing the preparation time by optimizing productions in single molds. Given their flexible structure, their non-stick properties and their particularly smooth, glossy interior, enabling the most difficult products to be created with ease the 100% safe molds may be used both for freezing and for baking in fan-assisted ovens and microwaves.

Fry Pan for Blinis

The low sides of the pan allow pancakes and crepes to be easily flipped over. Welded handle.

514012 : Diameter : 4.75"

Paella Pan

It has many different uses and proves ideal for paella because of its highly flared shape, allowing liquid to evaporate quickly (boiling down). Its heavy gauge thickness allows food to simmer. With two firmly welded handles.

511336 : Diameter : 14.1" (interior: 10.4")
Capacity : 6.5 qt / 6.1l

Grill Fry Pan

Ideal for searing meats. The black steel pan reaches high temperatures caramelizing the meat juices. The ribbed base marks the meat and reduces the contact area between pan and meat. The high sides diminish splattering. Riveted steel handle.

5530.26 : Diameter : 10.25"

5530.30 : Diameter : 11.75"

512026 : Diameter : 10.25" (interior: 8.9")

Blue Steel Series

Wok

2 mm thick (14 gauge) blue steel. "Blue" steel is not painted or coated steel. It is simply a steel which has undergone a form of heat treatment which gives it its bluish colour, and which protects it temporarily against oxidation. The wok has forever been the universal Asian kitchen utensil, and it turns out to be ideal for a natural, dietetic cuisine, which needs very little fat and preserves the food's original taste. Not dishwasher Safe.

503024 : Diameter : 9.5"

503028 : Diameter : 11"

503032 : Diameter : 12.6" (interior: 3.1")

(Handle + Helper)

Country Pan

Extra-strong blue steel with riveted handle. "Blue" steel is not painted or coated steel. It is simply a steel which has undergone a form of heat treatment which gives it its bluish colour, and which protects it temporarily against oxidation. Between the curved saute pan and the "Lyonnaise" profile frying pan, this high-sided pan is ideal for all styles of cooking, including frying, searing, or simmering. High sides reduce the amount of splattering. Very good for sauteed potatoes. Not dishwasher Safe.

Eurodib Warranty Policy

Eurodib warrants all equipment sold directly by Eurodib and/or through its approved suppliers only. Should any item prove defective due to a manufacturer's defect, Eurodib will repair or replace the equipment. The decision to either repair or replace the item in question will be entirely at the discretion of Eurodib. All warranty claims must be made directly to Eurodib. Eurodib will not be responsible for any costs incurred for services performed without prior consent from Eurodib.

Non Electric Items : 3 Months Parts & Labor

Electric or Gas Powered Items : 1 Year Parts & Labor

Blast Chillers : 1 Year Parts and Labor / 5 Years Compressor

Ice Makers : 3 Years Parts and Labor / 5 Years Compressor

Wine Cellars : 1 Year Parts and Labor / 3 Years Compressor

Items which weigh more than 75 lbs (34 kilos) will be serviced on-site providing they are located within a one hour drive from the nearest warranty service location. Items that weigh less than 75lbs (34 kilos) must be brought in to the warranty service location for repair.

Eurodib will repair or replace any Item found defective in material or workmanship when put to normal use and care according to the instructions. Minor imperfections, surface markings as a result of shipping, and slight color variations are normal. Damage to equipment from misuse or abuse, such as improper cleaning, improper installation, neglect, accident, alteration, fire, theft, etc., will not be covered under warranty. This policy applies only in Canada and the United States of America; any items located outside of these two countries are not covered under warranty. The warranty on all items is non-transferable by any means.

If upon arrival and diagnostics a technician dispatched by Eurodib determines that the problem is not a warranty issue it is the end user's responsibility to pay for the technician's time and possible repair. If the end user refuses to pay the technician Eurodib reserves the right to cancel the warranty for a given unit until such time as costs are repaid to Eurodib.

Please note that any complications arising from calcium build up within the unit will not be covered by the warranty.

Eurodib Terms of Content

Prices :

Prices are subject to change without prior notification.

Catalog Content :

We use care and take every precaution when adding new products in our catalog using information from the manufacturer. We present this information as accurately as we can, although errors and omissions do occur from time to time from being human! If you see discrepancies, potentially incorrect information or have any other questions about products we have please contact customerservice@eurodib.com or 1-888-956-6866.

Thank you for helping us in providing you with the best information available and in correcting missing or erroneous information.

Pictures :

Pictures shown in our catalog were the best available when the items were added to the catalog and may not accurately reflect the product. Pictures may also contain optional accessories which must be purchased separately.

Availability :

Some products may on occasion have limited or no availability due to an item being on back order because of an increased demand or due to an item being discontinued by the manufacturer. Eurodib works hard to fulfill every order in a timely manner and will work with you to find a solution.

Minimum Order Charge :

As we do understand that there may always be exceptions where minimums cannot be met, we have implemented a "Below Minimum Charge Fee". For any/all orders under \$75.00 net, there will be a \$5.00 charge added. This will be over and above freight costs and will be invoiced as minimum charge fee. PARTS ORDERS ARE EXCLUDED FROM THIS POLICY.

Eurodib Shipping Policy

What you should know :

- Eurodib's Head Office and warehouse facility is in Canada. All products are currently stocked in our Canadian warehouse only. This does not hinder nor delay shipments to the United States.
- We ship small packages (Fedex & UPS) to the United States 3 times a week : Mondays, Wednesdays and Fridays.

Lead Time :

- The orders are put in our system within 24 to 48 hours of reception.
- The orders will be shipping within 3 to 5 business days after being entered in the system.
- We accept Priority shipments and in these cases the shipment is done the next shipping day. (Orders must be "Air Shipments" (Next, Second and Third day air) Simply marking "Rush" does not constitute a Priority shipment). Small Packages (Less than 90 lbs) (US Shipments Only)
- All packages are forwarded to the Fedex and UPS Facility in Champlain & Plattsburgh, NY. (Eurodib pays for all customs, duty & entry fees for these orders)
- Packages shipping via Fedex will leave the same day from the Fedex facilities. UPS packages can not be guaranteed to leave the same day (it usually leaves the following day)
- Some exceptions to the "Under 90 lb" rule exists. Please verify with our website and catalog as some items must be shipped on a pallet to prevent shipping damages

Freight (Over 90 lbs) :

- All LTL items purchased from Eurodib are F.O.B. Boucherville, Qc. J4B 2X7.
- On orders of \$3500.00* Net or Greater, "Eurodib" will pay all freight charges to any destination within the Continental United States and Canada

*Exclusions to "Free Freight Policy"

- Residential delivery, Appointment requests, Tailgate requirements, re-deliveries, re-consignment and beyond charges ARE NOT included in the Free Freight terms at ANY TIME.

(These additional charges will be the Responsibility of the customer.)

Before accepting an order :

- Please make sure there is no visible damage to the box before accepting it. If there is, please refuse the shipment or write a note on the BOL (Bill Of Lading) in the event a claim must be filed after delivery.
- When using a collect or Third Party Freight company account #, any/all claims will be the sole responsibility of the customer who's account was used. Eurodib will not be liable for damages caused by any other carrier other than our own.

Eurodib Return Policy

Returns will only be accepted within 30 days from date of original invoice.

- All Merchandise that is returned must have prior authorization for return to be accepted
- All non-defective merchandise returned for credit must be unused and in the original packaging
- All returned items are subject to a 20% restocking fee plus the return shipping charges.
- Credit is issued upon return and inspection. Please allow up to 4 weeks to receive your credit or refund :

RMA REQUEST	Merchandise Transit	Merchandise Inspection	Credit Processed
2-3 Business Day	Up to 7 Business Day	Up to 7 Business Day	Up to 7 Business Day

Please Note that we cannot accept returns of certain items, including :

- All special orders
- All closeout items

How to cancel an order :

Cancelling an order will depend on the status of it.

Open Order : Please fax your cancellation request to : 1-877-956-6867 or E-mail : lucie@eurodib.com or mylaine@eurodib.com

Shipped Order : If your order has already shipped, you can refuse the shipment when it arrives at your location or you can accept and initiate a return authorization through our returns department. When a shipment is refused, it will come back to our warehouse, you may be charged for restocking fee and any shipping fees associated with the return.
